AN OUTPOURING OF **THE BEST** Asian FLAVOURS

**Conjure Up Delicious Asian Delights Within
Minutes Using Asian Meals' Extensive And
Convenient Product Range**

At Asian Meals, we deliver many benefits for commercial cooking. We also simplify your kitchen operations by providing the following:

- Consistent quality dishes
- Optimised/optimal freshness of dishes
- Convenient, simple and flexible preparation
- Standard Operating Procedures (S.O.P) can be easily established for cooking
- Minimise inventory control of raw materials
- Cost savings on raw material deterioration, handling space and maintenance
- Reduce stress on labour
- Require only minimal and simple training for line cooks
- Allows for more specific costing for menu items
