# AN OUTPOURING OF THE BEST *Asian* FLAVOURS

## Conjure Up Delicious Asian Delights Within Minutes Using Asian Meals' Extensive And Convenient Product Range

Spicy curry pastes, stir-fries, simmer sauces, salad dressings, soups, dips, marinades and condiments – all these and more from Asian Meals enable chefs to whip up delicious Asian favourites in minutes when time is of the essence in busy kitchens.

With over 20 years of experience and expertise as a leading producer of authentic Asian sauces, Asian Meals offers myriad preparatory sauces and over 300 recipe sauces encapsulating the spectrum of rich, sumptuous Asian flavours; be it Malay, Indian, Chinese, Nyonya, Indonesian, Thai, Vietnamese, Japanese or Singaporean delights.

Having perfected the art of blending the right spices to create the perfect flavours and textures to satisfy your customers' palate, Asian Meals' gluten-free products are blended using wholesome, fresh and natural ingredients that promote a healthy lifestyle. There is no added MSG, preservatives, artificial colouring, synthetic flavours, GMO and trans-fat in Asian Meals products.

Everyone can be a chef as our preparation sauces can get a meal ready in a simple one or two step process. It's as easy as adding your choice of meat or seafood with veggies with Asian Meals' wholesome and fresh sauces. Or take it a step further and get creative with Asian Meals! Create your own unique recipes by marrying the prepared blends together. Budding cooks and seasoned chefs alike will be inspired to innovate and explore the many wonderful possibilities with Asian Meals sauces.

We are in kitchens everywhere. Our customers include hotels, cruise ships, central kitchens, colleges, franchise chains, chain restaurants and convention centres. Whether you're cooking for ten or for thousands, our preparation sauces will make cooking convenient, quick and easy. So you will no longer have to worry if an unexpected guest shows up or when you have to cook for a full house convention on short notice with our sauces as your handiest kitchen partner!

At Asian Meals, we deliver many benefits for commercial cooking. We also simplify your kitchen operations by providing the following:

- Consistent quality dishes
- Optimised/optimal freshness of dishes
- Convenient, simple and flexible preparation
- Standard Operating Procedures (S.O.P) can be easily established for cooking
- Minimise inventory control of raw materials
- Cost savings on raw material deterioration, handling space and maintenance
- Reduce stress on labour
- Require only minimal and simple training for line cooks
- Allows for more specific costing for menu items
