

Peanut Satay sauce

As a Dip Sauce

This is suitable as a dip sauce for all types of BBQ, roast or fried meat or seafood.

As a Salad Dressing

Satay sauce is used as a salad dressing. It is ideal for a mixture of cucumber, turnips, and bean sprouts, lettuce or even hard boiled eggs or fried tofu.

Mix with Noodles, and Pastas

Satay sauce is suitable for noodles. Just blanch the noodles in boiling water and then drain dry. Pour Satay sauce on the noodles and mix well. Meat and vegetable can be added according to your preferences. Also ideal as pizza topping with chicken or beef and also for burgers as a new flavor to tomato sauce.
